Machine Name : Horizontal lathe

Brand : SMTCL

Machine Model : CW61160B

Stock No. : 468652

Ex-factory Date : 2007

Main Technical Parameters:

The maximum rotational diameter on the bed: Φ 1600mm
The maximum rotational diameter on the tool holder: Φ 1200mm
The maximum workpiece length of the two centers: 6000 mm
The width of the bed guideway is 755mm
Maximum weight of workpiece: 8000 kg
