

Machine Name : Automatic Lathe

Brand : Star

Machine Model : SB-20R type G

Stock No. : 50238

Ex-factory Date : 2020

Main Technical Parameters:

Spindle: 205*205mm

Maximum drilling capacity: 12mm

Spindle speed: 10000rpm

Fast feed rate: 35m/min

Machine dimension: 2070*1177*1760mm

Bar diameter: 20mm

Side milling live tool: 4

Back spindle live tool: 2

Available switch to rotating guide sleeve and without guide sleeve machining, parts conveyor, bar feeder, oil mist collector, high-pressure pump, transformer
