Machine Name : Vertical Machining Center

Brand : Haitian

Machine Model : VMC1200II

Stock No. : 69633

Ex-factory Date : 2025

Main Technical Parameters:

spindle: BT40 electric spindle
Rotational speed: 12,000 resolutions
tools magazine: Gutian 24-arm type tools magazine
Track: 3 axes Taiwan Intime roller linear guideway
CNC System: FANUC MFPlus 3 CNC System
three-axis travel XYZ: 1200mm×600mm×600mm
Worktable size: 1300mm×600mm
It is equipped with an external spindle oil chiller. Both the XZ axes have six sliders. It is also equipped with an internal twin-screw chip conveyor. It only took about a thousand hours
