Machine Name : Turn-milling combination

Brand : CHIAN CHYUN

Machine Model : CT2-52YM

Stock No. : 50319

Ex-factory Date : 2018

Main Technical Parameters:

Machining external diameter: 190mm

Machining length: 400mm

Bar machining capacity: 51mm

Rotating diameter: 830mm

Distance between centers: 920mm

B axis travel: 635mm

Spindle speed: 6000rpm

Spindle center height: 1188mm

Spindle through hole diameter: 61mm

Spindle bearing diameter: 90mm

Main motor power: 7.5/11kw

Double spindle, double turret

CNC System: Mitsubishi M70

Machine dimension: 4216*2335*2164mm
