Machine Name : EDM

Brand : Mitsubishi

Machine Model : EA8SM

Stock No. : 90907

Ex-factory Date : 2015

Main Technical Parameters:

Dimensions (length * width * height): 1530 * 2000 * 2105 mm

Machine weight:2000 kg

X * Y * Z axis travel: 300 * 250 * 250 mm

Distance between worktable and electrode mounting surface:150-400 mm

Maximum motor weight:25 kg

Work tank internal size (length*width*height) :800*520*300 mm

Worktable size:500 * 350 mm

Maximum workpiece size: 770 * 490 * 290 mm

Maximum worktable load :550 kg
