

Machine Name : Horizontal machining center

Brand : FEELER

Machine Model : FMH-500

Stock No. : 482739

Ex-factory Date : 2009

Main Technical Parameters:

Tool holder type: HSK63

X*Y*Z axis travel: 762*710*710mm

Distance from spindle center to worktable surface: 50-760mm

Distance from spindle nose to work surface: 150-860mm

Spindle speed: 8000/1000rpm

Spindle diameter: 85mm

Spindle belt center flushing
