

Machine Name : horizontal machining center

Brand : Kia

Machine Model : KIA CENTER H63

Stock No. : 50644

Ex-factory Date : 2004

Main Technical Parameters:

CNC system: Fanuc 18i MB

Three axes rigid guideways

Three axes travel: 950*770*950mm

Gear spindle: BT50

Tool magazine: 120

Worktable size: 630x630mm

Six positions

With spindle cooling circular flushing, chip conveyor

Worktable indexing resolution: $1^{\circ}/0.001^{\circ}$
