Machine Name : CNC lathe

Brand : HARDINGE

Machine Model : 51ULTRA

Stock No. : 483402

Ex-factory Date : 2016

Main Technical Parameters:

CNC System: Fanuc oi-TD

Alpha drive

Spindle speed: 5000rpm

Chuck size: 8 inches

Turret position: 12

Maximum rod passable diameter: 51mm

Maximum rotating diameter:457mm

Maximum machining length:456mm

Maximum machining diameter: 284mm

Guideway: Two axes linear guideways

With glass scale

With tailstock

Chain chip conveyor
