Machine Name : turning machining center

Brand : Doosan

Machine Model : Lynx 220M

Stock No. : 83860

Ex-factory Date :

Main Technical Parameters:

CNC System: Fanuc i

Maximum rotating diameter: 510mm

Maximum machining diameter: 320mm

Milling diameter: 250mm

Machining length: 290mm

Turret positions: 24

Chuck size: 8 inches

With live tool

Guideway: two axis linear guideways

PamtonSchnell
