

Machine Name : Two horizontal machining center

Brand : Doosan

Machine Model : HP400

Stock No. : 91888

Ex-factory Date : 2006

Main Technical Parameters:

spindle: BT40, with Center flushing

X*Y*Z axis travel: 600*560*560mm

tools magazine: 60

3 axes roller linear guideway

Mechanical condition is very good 6 sets of the same model
