

Machine Name : Vertical CNC cylindrical grinding machine

Brand : SHIGIYA

Machine Model : GPV-10-20L

Stock No. : 91944

Ex-factory Date : The Ex-factory date 2014

Main Technical Parameters:

Rotary Worktable diameter: 100mm

Distance between centers: 200mm

Worktable load: 10kg

external diameter :355mm

through hole :127mm

Width :25mm

power :2.2KW

machine tool weight :1950kg
