Machine Name : Cylindrical grinder

Brand : TOYODA

Machine Model : GE4i-50

Stock No. : 84003

Ex-factory Date : 2015

Main Technical Parameters:

TOYODA GC70 CNC System

With taper adjustment hydraulic tailstock

230L magnetic separator grinding fluid supply device

Marposs cylindrical measuring instrument

End face measuring device

Distance between centers: 500mm

Grinding diameter: 0 ~ 300mm

Grinding wheel external diameter * internal diameter * width: 455*127*100mm

Worktable rotation angle:12.5□0

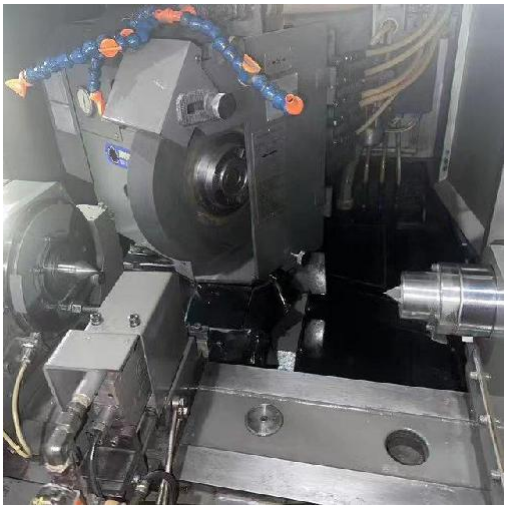

Weight: 4000kg
