Machine Name : CNC vertical grinder

Brand : HDCNC

Machine Model : 2MKG9580HR

Stock No. : 470583

Ex-factory Date : 2011

Main Technical Parameters:

Grinding external diameter: 1000mm

Grinding height: 510mm

Grinding hole depth: 200-800mm

Maximum workpiece turning diameter: 1200mm

Load: 2000kg

Spindle speed of vertical grinding head (frequency conversion) : 2000-7000rpm

Siemens 840D system

Never used after installation ,accuracy same as new machine
