Machine Name : turning machining center

Brand : BOST

Machine Model : VTL16C-1400

Stock No. : 480503

Ex-factory Date : 2011

Main Technical Parameters:

Turning height: 1500mm

Turning diameter: 1600mm

Chuck diameter: 1400 mm

Machining height: 1500mm

Z-axis travel: 1200mm

Ram size: 250 x 250 mm

Control: Siemens 840D

Main motor power: 60 Kw

Tool internal cooling: 20bar

Milling spindle power: 22 kW

Milling spindle speed: 2,500 rpm

4-jaw chuck

EC standard protection cover

Cooling System

Bi-Directional C-axis drive

Ram built-in milling spindle

Never used after installation
