

Machine Name : CNC optical curve grinder

Brand : WASINO

Machine Model : GLS-721

Stock No. : 92019

Ex-factory Date : The Ex-factory date 2003

Main Technical Parameters:

Worktable size: 300*155mm

Maximum grinding size: 130*80*70mm

Longitudinal feed distance: 200mm

Lateral feed distance: 135 mm

Minimum setting unit: 0.0001mm

grinding wheel lifting process: 0-60mm

Lifting process speed: 30-400m/min

grinding wheel travel X axis: 170mm

grinding wheel travel Y-axis: 100mm

Minimum setting unit: 0.0001mm

Front discharge Angle: 1 ~ +2

Horizontal discharge Angle: ± 1

Rotation Angle: ± 10

Projector screen size: 420*520mm

Magnification: 50x, 20x

Sand wheel shaft: size (external diameter * width * Internal diameter) : $\Phi 120 \sim 150 \times 6 \times \Phi 31.75\text{mm}$

speed: 2000-20000m/min

Motor capacity: 1.5 (2) *4 KW-P

Body area (length * width) : 1850*1900mm

Machine weight: 4000kg

Power capacity: 18kva
