

**Machine Name : CNC lathe**

**Brand : WIA**

**Machine Model : L210A**

**Stock No. : 92030**

**Ex-factory Date : The Ex-factory date  
2015**

**Main Technical Parameters:**

chuck : 8 inches

Turret position: 12

Rotating diameter: 550mm

Bar machining diameter: 65mm

machining length: 410mm

Spindle speed: 4000rpm

Main motor power: 11/15kw

X\*Z axis travel: 210\*430mm

Machine weight: 4.1t

precision: 0.01mm

Two axes linear guideway

Programmable tailstock

Chip conveyor with rear
