

Machine Name : Vertical machining center

Brand : Taishin

Machine Model : TXC850L2

Stock No. : 491860

Ex-factory Date : 2022

Main Technical Parameters:

Two linear guideways and one rigid guideway structure

Mitsubishi M80 Control CNC System

Machine condition precision 1 thread

Original paint is 90% new

Worktable size :500x1000mm

□□□□:800x500x550mm

Distance from spindle center to vertical lead rail :560mm

Distance from spindle nose to worktable :105-655mm

Worktable load :800kg

□□□□:10000rpm

□□□□:6000kg

□□□□:7.5kw

□□:BT40

tools magazine :24

Floor area :2700x2400x2600mm

Y-axis 45 Linear guideways
