

Machine Name : Milling machine

Brand : MILLING

Machine Model : HM-2250DS-1000

Stock No. : 470690

Ex-factory Date : 2022

Main Technical Parameters:

Minimum/maximum machining size 500/1000 mm

Processing thickness 300 mm

The distance between the nose ends of the two main shafts is 600~1200 mm

Spindle motor 20 HP (15 kW)

Spindle taper NT-50

Variable spindle speed 50~900 rpm

X/Y/Z axis rapid displacement 6/6/6 m/min

Workbench size 920 x 2300mm

Rotary disc size 800 x 800mm

Load 4000 kg

Machine dimensions (W x L x H) 4100x 6500 x 2550mm

Net weight 16 tons
