

Machine Name : CNC cylindrical grinder

Brand : STUDER

Machine Model : KC33

Stock No. : 92073

Ex-factory Date : 2020

Main Technical Parameters:

grinding wheel diameter: 508mm

grinding wheel width: 80mm

workpiece weight: 120kg

machining diameter: 330mm

Distance: 1000mm

Center height: 175mm

X axis travel: 370mm

B axis rotation range: 240 degree

Z-axis travel: 1150mm

spindle power: 8kw

Spindle speed: 3200rpm
