Machine Name : CNC gantry

Brand : WELE

Machine Model : LB-321Z

Stock No. : 480782

Ex-factory Date : In 2014

Main Technical Parameters:

System: Fanuc

Main motor:22/26KW

Spindle: BT50 gear spindle

Spindle speed: 6000rpm

Three axes travel: 3060*2150*1000mm

Worktable size: 3000*2000mm

Gantry width * height: 2320*1350mm

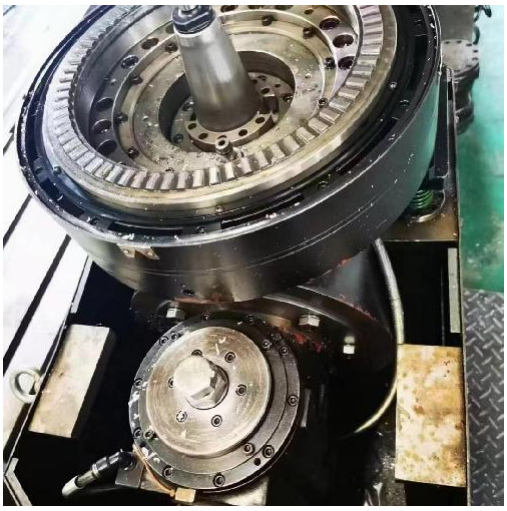

Three axes with full close-loop automatic head,

5 degrees automatic indexing universal head (C axis automatic 5 degrees indexing, A axis manual 5 degrees indexing)

XYZ axes all with roller linear guideway,with very good accuracy
