

Machine Name : Double sided gear CNC gear milling machine

Brand : GLEASON PHOENIX

Machine Model : 175HC

Stock No. : 92109

Ex-factory Date : The Ex-factory date 2000

Main Technical Parameters:

CNC System: GE Fanuc SERiNes 160i-M

gear grinding diameter: 216mm

gear surface milling diameter: 190mm

gear width: 40.65mm
