

Machine Name : Internal cylindrical grinder

Brand : VOUMARD

Machine Model : 3A

Stock No. : 92145

Ex-factory Date :

Main Technical Parameters:

End grinding through hole: 1.5---50mm

Grinding depth: 80mm

workpiece maximum length: 250mm

Distance from bed surface to head: 130mm

Distance from bed surface to grinding head: 200mm

Maximum turning Angle: 10 degree

spindle through hole: 25mm

Grinding head maximum travel: 300mm

Sand wheel shaft speed: 9000~120000rpm
