

Machine Name : machining center

Brand : WELE

Machine Model : SB-216

Stock No. : 491997

**Ex-factory Date : The Ex-factory date
2013**

Main Technical Parameters:

CNC System: Fanuc 18i-MB CNC System,

Floor chain tools magazine: 32 pieces

spindle: BT50

Spindle speed: gear box 4000 RPM

Worktable size: 2000×1500mm

Gate width: 1710

Gate height: 1150

three-axis travel: 2100×1600×800mm

With semi-automatic side milling head

Three-wire orbit
