

Machine Name : machining center

Brand : LEADWELL

Machine Model : V30i

Stock No. : 92158

Ex-factory Date :

Main Technical Parameters:

three-axis travel: 800*500*600mm

Worktable size: 900*500mm

spindle nose to worktable height :800mm

With internal and external Chip conveyor

Three axes linear guideway

tool arm tools magazine
