

Machine Name : Centerless grinder

Brand : MIKROSA

Machine Model : KRONOS S 125

Stock No. : 92199

**Ex-factory Date : The Ex-factory date
2016**

Main Technical Parameters:

workpiece diameter: 0.5-30mm

Cut-in grinding workpiece maximum length: 120mm

Maximum diameter of grinding wheel: 400mm

grinding wheel maximum width: 125mm

grinding wheel peripheral speed: 63 (120) m/s

grinding wheel driving power: 11/15kW

Maximum diameter of guide wheel: 250mm

Maximum width of guide wheel: 125mm

Guide wheel variable speed range: 5-500/min

Guide wheel drive power: 5kW

CNC System: Sinumerik 840D
