

Machine Name : Turret inclined rail lathe

Brand : FEELER

Machine Model : FTC-30

Stock No. : 92205

Ex-factory Date : The Ex-factory date 2014

Main Technical Parameters:

chuck : 10

hydraulic pressure tower station: 8

spindle through hole diameter: 76mm

spindle motor: 18~22kw

With automatic Chip conveyor

CNC System: Fanuc

Heavy rail

Rotating diameter: 750mm

machining length: 670mm
