

**Machine Name : CNC inclined rail Turn
mill machining Centere**

Brand : HAAS

Machine Model : SL-20T

Stock No. : 92228

Ex-factory Date :

Main Technical Parameters:

X*Z axis travel: 236*533mm

Body rotation diameter: 584mm

Maximum rod diameter: 51mm

chuck : 8 inches

machining length: 650mm

With Cutter Aligner

Turret position: 12

Six live tools

Automatic loading and unloading

With servo tailstock

Linear guideway
