Machine Name : CNC double head crankshaft grinder

Brand : Komatsu

Machine Model : NTG-6PD 3280

Stock No. : 92241

Ex-factory Date : The Ex-factory date 2009

Main Technical Parameters:

Rated voltage: 380V

No load speed: 4166rpm

Grinding grinding wheel diameter: 550mm

Thickness of grinding wheel: 20mm

Grinding grinding wheel through hole: 50mm

grinding wheel line speed: 120m/s

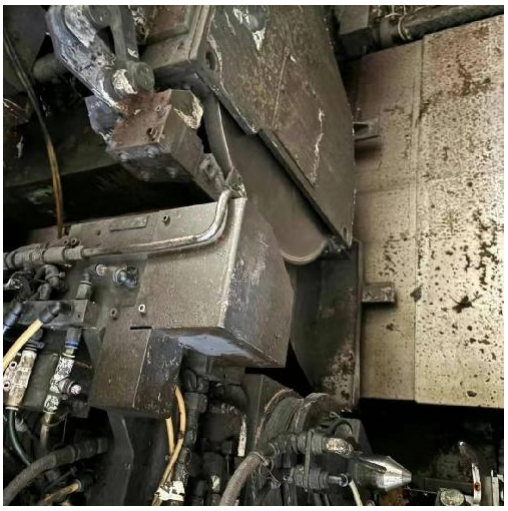

machining length: 800mm
