Machine Name : Core control machine

Brand : Citizen

Machine Model : A20-3F7N

Stock No. : 481437

Ex-factory Date : 2015

Main Technical Parameters:

Bar diameter: 20mm

Max. machining diameter:20 mm

Max. frontal drilling diameter:10 mm

Max. frontal tapping diameter: M8

Max. spindle speed: 10000 rpm

Max. drilling diameter of row rotating tool: 7 mm

Max. tapping diameter of row rotating tool: M6

Spindle speed of row rotating tool: 4800/6000 rpm

Max. clamping diameter of back spindle: 20 mm

Max. workpiece extension of back spindle: 50 mm

Max. drilling diameter of back processing: 8 mm

Max. tapping diameter of back spindle:M6

Max. speed of back spindle: 8000 rpm

Five axes

Side milling live tool

High pressure pump

PamtonSchnell

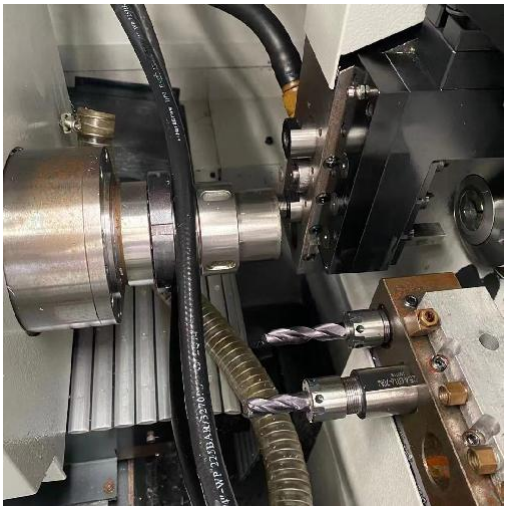

Chip conveyor

Oil film bar feeder

PamtonSchnell
