

**Machine Name : double position
horizontal machining center**

Brand : LEADWELL

Machine Model : MH-500i

Stock No. : 92257

Ex-factory Date : 2015

Main Technical Parameters:

spindle: BT50

tools magazine: 40

CNC System: Fanuc OI-MD, Alpha motor drive

Spindle speed: 6000rpm

three-axis travel: 750*650*700mm

Worktable size: 500*500mm

Double Worktable

3 axes German Rexroth Linear guideway

With center flushing

oil chiller with spindle

With three rows of clippers

hydraulic pressure station
