

Machine Name : Horizontal machining center

Brand : Hulle Hille

Machine Model : 630

Stock No. : 92269

Ex-factory Date : The Ex-factory date 2004

Main Technical Parameters:

CNC System: Siemens 840D

three-axis travel: 800*800*800mm

Worktable: 630*630mm, double position

Fast displacement: 50m/min

B axis: 0.001°

tools magazine: 40

spindle: HSK100

With center flushing

Spindle speed: 10000rpm

Machine Footage: 4.8*3.4*3.4m
