

Machine Name : machining center

Brand : Hision

Machine Model : GRUe28IIx40

Stock No. : 491982

Ex-factory Date : 2021□

Main Technical Parameters:

Worktable size: 2000*4000mm

machining time: thousands of hours

CNC System: Fanuc oimf plus

three-axis travel: 4200*3350*1250

Spindle speed: 8000rpm, HISION universal ac swing head

tools magazine: 24

load: 20 tons

Full height size: 450-1450mm
