

**Machine Name : double position
horizontal machining center**

Brand : Toshiba

Machine Model : NX-76

Stock No. : 481584

Ex-factory Date : 2006

Main Technical Parameters:

Worktable size :627*754mm

Distance from worktable to spindle center :859mm

Distance from center to spindle :960mm

Three-axis travel: 848*759*890mm

Spindle speed range :50-8000rpm

CNC System: Toshiba 888 CNC System

Machine height: 3145mm

Floor area: 3866*5271mm

Machine weight: 20970kg
