Machine Name : CNC gantry boring and milling machine

Brand : VISION WIDE

Machine Model : VF4000

Stock No. : 481590

Ex-factory Date : 2011

Main Technical Parameters:

Worktable size :4200x2050mm

Three axes travel :4150x2250x920mm

Gantry width :2400mm

Machining height :1100mm

Spindle speed :7000rpm

Spindle power :18.5/22KW

Spindle :BT50

Worktable load :13000kg

Machine net weight:38400kg

CNC System: Fanuc 18i-MB

A side milling head

Oil-chilling chip conveyor

Three axes rigid guideway
