Machine Name : Large five-axis turning and milling center

Brand : DMG

Machine Model :

Stock No. : 410696

Ex-factory Date : 2014

Main Technical Parameters:

Brand: DMG

Model: CTXgamma 2000TC

CNC System: Siemens 840D

Three-axis travel: 800*420*2050mm

Worktable size: 2000*700mm

Maximum workpiece diameter: 701mm

Maximum machining length :2000mm

Machining diameter :406mm

Spindle speed :2500rpm

Diameter:330mm

36 positions automatic tool changer

High-pressure center flushing

Spindle cooling CNC System

Chip conveyor

PamtonSchnell
