Machine Name : Grinding machine

Brand : Kuroda

Machine Model : GS-65PFII

Stock No. : 490574

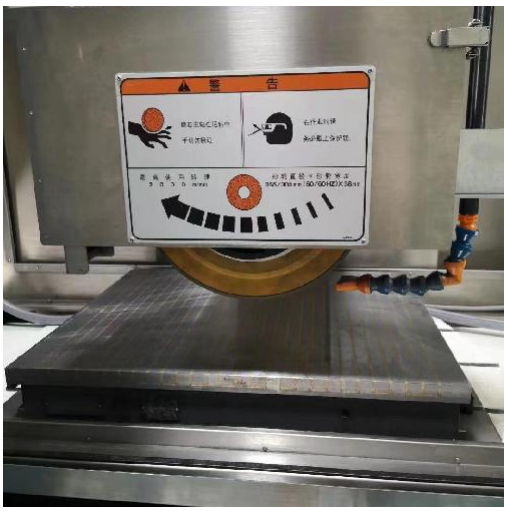

Ex-factory Date :

Main Technical Parameters:

Worktable surface (length x width):600*500mm
X*Y axis travel :760*540mm
Distance from worktable to the bottom of the stone :40~487.5mm
Stone Footage (diameter x width x Internal diameter): 305*38*127(355*38*27)
Rotary speed of whetstone shaft (inverter control):0~2000mm-1
Magnetic worktable size (L x W x H):600*500*85mm
Allowable working mass (including magnetic Worktable):500kg

PamtonSchnell
