Machine Name : CNC horizontal gear hobbing machine

Brand : Gleason Pfauter

Machine Model : P90

Stock No. : 482377

Ex-factory Date : 2009

Main Technical Parameters:

Part diameter :100 mm

Controller :Siemens 840D CNC

Nominal modulus hobbing: about 3.0mm

Endless spiral milling: about 8.0mm

Maximum axial motion :320 mm

Tool head direction :-45/+115°

Spindle maximum diameter: 118mm

Maximum cutting length of spindle :180 mm

Maximum milling motion (displacement):160 mm

Maximum spindle speed :3000 t/mm

Minimum/maximum shaft spacing :10/100 mm

Tool head motor power:14 kw

Spindle speed :50-12000 t/mm

Weight :5000 kg

With cooling box, chip conveyor

PamtonSchnell
