Machine Name : External cylindrical grinding machine

Brand : Toyoda

Machine Model : GE6-250

Stock No. : 460138

Ex-factory Date :

Main Technical Parameters:

CNC System: TOYODA

Machining length: 2500mm

X*Z axis travel: 2735*375mm

Grinding wheel diameter width internal diameter: φ610*125*254

Grinding diameter: 550mm

Worktable size:4000*300mm

Worktable load: 500kg

Grinding travel: 2500mm

Maximum rotating diameter :550mm

Spindle transmission mode: electric spindle

PamtonSchnell
