Machine Name : Sparking machine

Brand : Shaddick

Machine Model : ALN400QS

Stock No. : 4470896

Ex-factory Date : 2022

Main Technical Parameters:

Brand: SODICK

Model: ALN400QS

X*Y*Z axis travel :400*300*250mm

U*V axis travel :150*150mm

Maximum taper angle : ±25°(plate thickness :130mm)/ ±25°(plate thickness 130mm)

Maximum workpiece size (width * length * height):

600*470*240mm (Flushing machining)

600*470*230mm (Submerge machining)

Maximum workpiece weight:

500kg (Flushing machining)

350kg（Submerge machining）

Machine footage (width * length * height): 2115*2335*2185mm
