

Machine Name : machining center

Brand : UGINT

Machine Model : XT 6000S/2P

Stock No. : 84397

Ex-factory Date : 2018

Main Technical Parameters:

Double head CNC profile Machine Mitsubishi m70 CNC System Worktable size: 6600x460mm Worktable size XYZ:6000x420x350mm end of worktable to the cell end distance of spindle: 250-600mm column front is the cell Distance between centers of spindle: 484mm the cell power of spindle: 3.7/5.5KW Spindle speed :12000rpm spindle torque :3.57/1500kgf.m/rpm spindle BT30 14 tool floor area: 7860x2617x2550 machine tool Weight: 11000kg
