

Machine Name : Gantry machining center

Brand : Hartford

Machine Model : CNC-2150H

Stock No. : 84400

Ex-factory Date : 2014

Main Technical Parameters:

Fanuc 21i-MB CNC System! BT50 gear spindle working area :2100*1450mm three-axis travel :2060*1560**780mm, through the gantry 1600
