Machine Name : Horizontal machining center

Brand : Mazak

Machine Model : 6000-II

Stock No. : 92291

Ex-factory Date : 2019

Main Technical Parameters:

machining diameter: 900mm machining height: 1000mmXYZ travel: 800*800*800mm double WorkWorktable, BT50 gear spindle, the umbent WorkWorktable size: 500x500mm axis speed: 10000rpm Number of tools magazine: 43 high-pressure cylinder center flushing, chain type tools magazine
