

Machine Name : Gantry machining center

Brand : Willy

Machine Model : LB-832

Stock No. : 92293

Ex-factory Date : 2022

Main Technical Parameters:

Workbench: 2.5*8m, gantry width 2.7m

Holder magazine: automatic AC universal right Angle head, 5 degree a minute

High speed electric spindle BBT: 50,12000 RPM

XYZ travel: 8060*3200*800mm

Maximum load capacity: 25000kg

Optional paper bag filter 20Kg of central water

Fanuc Oi-MF system
