

Machine Name : Horizontal machining center

Brand : CINCINNATI

Machine Model : 630

Stock No. : 84420

Ex-factory Date : 2000

Main Technical Parameters:

FANUC 0iMD with CNC System three-axis travel: 900*900*900 inlaid steel rolling element lead rail 50 tool holder 65 tools kWWorktable once a 1 ½ minute three speed transmission gear spindle
