

Machine Name : Internal and external circular universal mill

Brand : STUDER

Machine Model : S31

Stock No. : 92306

Ex-factory Date : 2003

Main Technical Parameters:

Center distance: 650mm

Center height: 175mm

external grinding electric spindle :7.5KW

grinding wheel maximum diameter :400mm

Maximum line speed :50m/S

High precision internal grinding electric spindle: 42000rpm

X axis travel :280

Z-axis travel :800

High precision grinding wheel head frame :0.0001 point degree

Maximum speed :1500rpm
