

Machine Name : Vertical machining center

Brand : KAFO

Machine Model : 1688

Stock No. : 92310

Ex-factory Date : 2018

Main Technical Parameters:

three-axis travel: 1600*880*700mm Footage: 4050*5317*3112mm Track form: rigid guideway Worktable size: 1800x950mm maximum load bearing Worktable: 2500kg spindle speed: the umbent gear cell/direct connection 10000 rpm RPM spindle spindle... Motor (continuous /30 minutes) : 15/18.5kw 3 axes fast (X/Y/Z) : 20/20/15m/min Tool Tool holder type: BT50
