

Machine Name : Vertical machining center

Brand : OKUMA

Machine Model : MXR-460V

Stock No. : 61501

Ex-factory Date : 2011

Main Technical Parameters:

CNC System :OSP-P20M-R three-axis travel (X*Y*Z):762*460*450mm Worktable top to CNC end face distance :160-610mm Worktable size cell :460*1000mm main motor upper power duration :11-15kw load bearing :500kg... Spindle speed :8000rpm CNC taper :BT40 spindle Internal diameter :70mm machine tool Weight :5500kg machine tool External footage :2230*2380*2650mm
