

**Machine Name : Horizontal boring
milling machine**

Brand : VARNSDORF TOS

Machine Model : WHQ 130CNC

Stock No. : 84462

Ex-factory Date : 2017

Main Technical Parameters:

spindle: 130 Worktable size :1800X2200 mm(b-axis 360 degree arbitrary rotation)
four axis of the gravity travel cell: 3500*200*1250*800 top tool store :120 Siemens 840D
CNC System full close loop each axis with Heidehain glass scale scale
