

Machine Name : Inclined rail CNC lathe

Brand : WIA

Machine Model : E200A

Stock No. : 84481

Ex-factory Date : 2013

Main Technical Parameters:

CNC System: Fanuc TD8 inch hollow chuck main motor power: 11kw chuck through hole diameter: 62mm Turret position: 10 Fast moving rate: 30m/min with the rear chain chip conveyor rotation diameter: 480mm The length of the machining cell: 280mm transmission accuracy: 0.01mm
