

Machine Name : Horizontal machining center

Brand : Toshiba

Machine Model : BMC-1000

Stock No. : 84504

Ex-factory Date : 2015

Main Technical Parameters:

Worktable size: 1000x1000mm Number of Worktables: 6 three-axis travel :1600*1250*1200mm Taper: ISO 50 Worktable size power cell: 30kw Tool change position: 120 lathe turning speed range: 15-5000 feed range: 1-10000 min Total duration power cell: 58kw Machine weight approx. : 27500kg Machine Footage: 5535x7870x3825mm worktable workpiece Weight: 2500mm Spindle speed: 40-10000rpm CNC CNC System: Toshiba T888
